

Diva Apples Product Request Form

Dear Produce Department / Store Manager:

I frequent your store and have a request. I am hoping you can contact your fresh produce suppliers and ask about the option to supply your store with fresh, premium Diva Apples from New Zealand.

Diva Apples are a sweet, crunchy and delicious bright red apple and are considered one of New Zealand's premium export apples. They are only available for a limited season – from April to August – so we've got to get in quick in order to enjoy them this year.

For more information, you can go to: www.divaapples.com or you can email: info@divaapples.com.

Thanks in advance for considering this request.
